

Sports Premium Planned Expenditure 2022-23

Total allocation 22-23		£16,825
Activity: Football	Total cost: £3000	
Provider: Dartford District Schools FA		
Rationale: An annual affiliation with Dartford District FA and Dartford FC. This Provides the pupils at Milestone Academy @ DPA an opportunity to learn basic football and related movement skills through weekly coaching sessions led by qualified football coaches.	Justification: To increase participation in competitive sport. For pupils to be able to engage in regular physical activity. To broaden the range of sports and activities that all pupils can experience. To forge links with a wider range of external sports clubs.	Impact: Gives pupils the opportunity to develop their football skills through having weekly lessons with qualified football coaches. Allows pupils the opportunity to develop their gross motor skills. Gives pupils opportunities to participate in friendly competitive matches with other local schools to develop their social and teamwork skills. Allows pupils the opportunity to learn and understand about teamwork and how to follow rules fairly.
Duration / Sustainability: Whole academic year. Teachers at Milestone @ DPA are upskilled by shadowing sessions on a weekly basis.		

Activity: Gymnastics	Total cost: £5897	
Provider: Beaming Stars		
Rationale: A team of qualified gymnastics coaches are able to deliver weekly gymnastics sessions and specialist dance to classes in Early Years, Phase 1 and Phase 2. These sessions provide the pupils	Justification: The engagement of all pupils in regular physical activity. To broaden the range of sports and activities that all pupils can experience. To support and involve the least active children. To forge links with a	Impact: Gives pupils the opportunity to develop their gymnastics and dance skills through having regular gymnastics sessions with qualified gymnastics coaches. Allows pupils the opportunity to

<p>with regular opportunities to improve their basic agility, balance and coordination, with professionally trained staff. It provides pupils with a regular fun and engaging activity which is suited to their needs, allowing them to access activities they may have been unable to previously.</p>	<p>wider range of external sports clubs.</p>	<p>develop their gross motor skills. Allows pupils the opportunity to develop their fine motor skills especially for the least active children. Allows pupils the opportunity to improve their coordination, balance and basic agility by having regular sessions with qualified gymnastics coaches.</p>
--	--	--

Duration / Sustainability:

Term 1 - End of term 3

<p>Activity: Phase 1 Swimming</p> <p>Provider: Fairfield Leisure</p>	<p>Total cost: £840</p>	
<p>Rationale:</p> <p>A brand new opportunity to allow children from Milestone to develop essential swimming and water safety skills at an earlier stage than they have ever done before. Each class within phase 1 will take part in a weekly swimming lesson delivered by trained swimming teachers provided by Fairfield Leisure centre.</p>	<p>Justification:</p> <p>We need to provide more opportunities for students to improve water safety skills and more opportunities to increase the numbers of students who are confident in water.</p>	<p>Impact:</p> <p>Development in crucial water safety skills and an increase in confidence in swimming skills for our students at an earlier age.</p>

Duration Sustainability: Whole academic year, this programme will move into next academic year. Swimming skills are essential for our students and we aim to continue to offer this at the earliest possible opportunity to provide an essential life skill.

Sports Premium Planned Expenditure 2022-23

<p>Activity: Rebound Therapy Course</p> <p>Provider: Rebound therapy.org</p>	<p>Total cost: £2,576</p>	
<p>Rationale:</p> <p>Milestone Academy is hosting a two day Rebound Therapy training course on 9th and 10th of February. 'Rebound Therapy' describes a specific method of use of a full sized trampoline to provide opportunities for movement, therapeutic exercise and recreation for people across virtually the whole spectrum of additional needs. We intend to upskill a number of staff to be able to increase specialism in this area.</p>	<p>Justification:</p> <p>7/8 Milestone staff to be trained over a two day period to increase provision and improve the delivery of Rebound Therapy for our PMLD students.</p>	<p>Impact:</p> <p>Increased number of staff being qualified to deliver Rebound Therapy to our 6 PMLD classes. Our number of staff trained to deliver the programme has moved from 1 to 9 with the introduction of this training. This will ensure Rebound always takes place each Tuesday and that there is a sufficient number of staff trained to cover PE staff if they are not available to deliver sessions on a particular day. Increase knowledge and understanding of techniques, safety and the rationale behind why we offer Rebound to our students.</p>
<p>Duration / Sustainability: This 2 day training course will train a sufficient number of staff to ensure we have a sustainable Rebound Therapy programme at the school for the foreseeable future.</p>		

<p>Activity: 12 x Oddballs</p> <p>Provider: Oddbalism</p>	<p>Total cost: £960</p>	
<p>Rationale: We have purchased 12 Oddballs which is the first ball in the world to make music. This is A unique drum machine to make music on the go"<i>ODD Ball makes</i></p>	<p>Justification: A cross curricular and sustainable means of developing fine motor skills through the use of</p>	<p>Impact: Improvement in fine motor skills linked to EHCP targets. Creating a link between two subjects, PE and music will enable both regular engagement and</p>

<p><i>sound-making accessible to anyone" "Inspiring the next generation of musicians"</i></p> <p>We have purchased 12 of these so that classes can engage with their use in Music lessons and improve their fine motor skills as well as being able to put their creative skills to use and improve their music skills.</p>	<p>the ball in music lessons at the academy.</p>	<p>enjoyment and improve key skills in each of these subjects.</p>
---	--	--

Duration / Sustainability: Resource and software purchased to use for the foreseeable future within music lessons.

<p>Activity: Large Numicon</p> <p>Provider: KCS</p>	<p>Total cost: £690</p>	
<p>Rationale: We have purchased some large Numicon resources which can be used outdoors. This will be used regularly by classes as a means of teaching active maths on a more regular basis.</p>	<p>Justification: A cross curricular means of engaging students in Maths through PE.</p>	<p>Impact: An improvement in maths related skills through PE. Improvement in attainment for maths and ECHP progression. Increased PE active minutes through Maths / PE lessons.</p>

Duration / Sustainability: Resources purchased to use for the foreseeable future within Maths lessons at the school.

<p>Activity: Complete PE membership</p>	<p>Total cost: £975</p>	
--	--------------------------------	--

Sports Premium Planned Expenditure 2022-23

Provider: Complete PE		
<p>Rationale: We have signed up for a full membership with Complete PE. Complete PE is recognised nationally and recommended by the Youth Sports Trust amongst other organisations. Complete PE is an interactive PE resource, designed to support a high quality PE curriculum. Features include a curriculum mapping tool, interactive videos including videos of success criteria to aid lessons, resource cards, a subject leaders area to aid CPD and a high quality assessment tool to track progress data and physical activity levels across the school.</p>	<p>Justification: To improve the PE curriculum in terms of quality of learning. To provide a means of accurately tracking PE progress data. To enhance quality PE hours in primary phases.</p>	<p>Impact: Complete PE is now fully embedded as our PE curriculum. It has allowed for progressive lesson planning and improved the quality of PE being delivered across the school. The curriculum map is used by the phase 2 primary PE teacher to plan and assess and is also being used by the dance lead and phase 1 class teachers who have been trained in how to use the platform, enhancing physical development within our primary phases. The assessment tool has allowed us to be able to accurately track progress and plan interventions where required for students not on track.</p>

Duration / Sustainability: The academic year and continuing for the foreseeable future.

<p>Activity: Sports equipment</p> <p>Provider: Sports Directory UK</p>	<p>Total cost: £2187</p>	
<p>Rationale: We have ordered a range of sports equipment covering different areas of the PE curriculum.</p>	<p>Justification: Improve lessons within PE and enhance extra curricular opportunities. Enhance the overall PE provision through offering extra opportunities to engage students in PE related activities.</p>	<p>Impact: Increased improvement in PE provision across phase 1 and 2. Improvement in quality of lessons with new equipment and creating opportunities to try new activities and sports.</p>

Duration / Sustainability: The academic year and continuing for the foreseeable future

Swimming Data

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.</p>	<p>Young people at Milestone Academy will do self rescue as part of their swimming programme when they are at a correct learning stage as they move up through the school and they become more physically able and they require less support. We have utilised funding to get students more water ready at a younger level in phase 1. We will be focusing on upskilling teachers in water safety skills and looking to seek opportunities to make extra swimming lessons available throughout the school.</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above.</p>	<p>3%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above.</p>	<p>3%</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>0%</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>Yes</p>
